Babyco Classic Portacot

Model: 4004695 - 705

IMPORTANT

BEFORE ASSEMBLING THE COT READ AND UNDERSTAND THE INSTRUCTIONS.

Do not use mattress other than the one supplied by the manufacturer.

Incorrect mattress can cause death.

Use only accessories as recommended by the manufacturers.

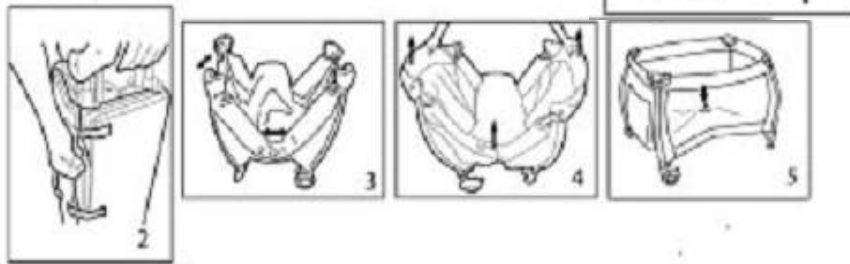

Ensure the top rails and base are fully locked.

Stop using this cot if any part of the cot is broken, torn or missing.

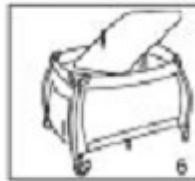

KEEP THESE INSTRUCTIONS IN A SAFE PLACE FOR FUTURE REFERENCE

TO INSTALL PORTACOT

- 1, Remove the portacot from the carrier bag.
- 2, Release the Velcro straps of mattress that wraps the portacot.
Take out the portacot and put rest of the parts aside.

- 3, Raise the centre of the portacot base to a height of 50cm, spread the four legs of the portacot wide enough for you to grip each of the centre hinges of the four top rails.
- 4, Grip the center joints of the short rail, straighten and lift it up until you hear a clip sound and it is firmly locked. Do the same for rest of three rails.
Note: if any of the rails cannot be firmly locked, repeat step 4 onwards.
- 5, Push down center of the base until portacot is fully opened and in locked position. Ensure that portacot is stable and all rails are fully locked.
- 6, You must put the mattress into the portacot with the padded side facing up.

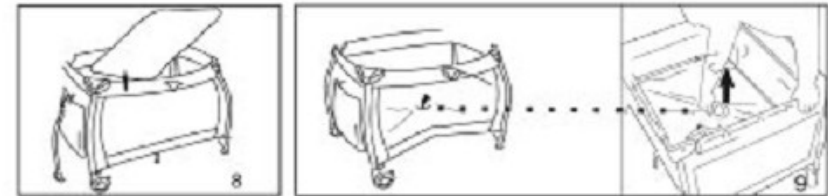

- 7, Thread the Velcro tabs attached to the mattress, through the slits in the base of the portacot and secure to the underside of the portacot to hold the mattress firmly in place.

Note: Illustration in instructions may vary from actual product.

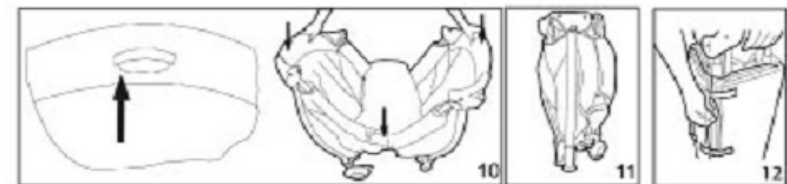

TO FOLD THE PORTACOT

- 8, Remove the bassinet (if supplied), and mattress from the portacot.
- 9, Pull the centre base release and continue lifting the base frame up to a height of 50-60 cms, before attempting to fold each railing arm.

- 10, Locate the release button in the centre joint of each railing, press and lower the railing.

Note: Do not force the railing downward. If button does not release, lift up the base and repeat step 3.

- 11, Pull the four legs inward to make into a compact bundle.
- 12, Wrap the portacot with the mattress (padded side facing inwards). If supplied, include the bassinette and dismantled poles.

Fasten the velcro straps on mattress and pack complete set in the carrier bag.
