### FIXED SIDE COT

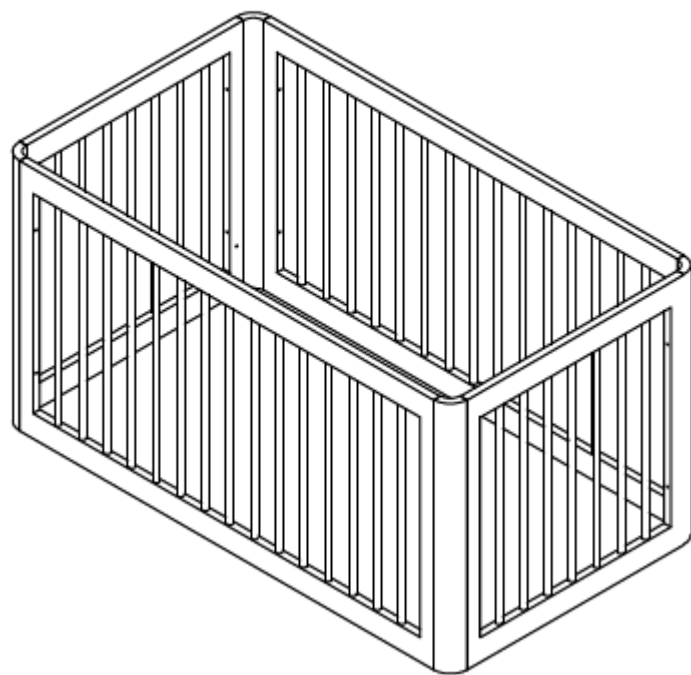

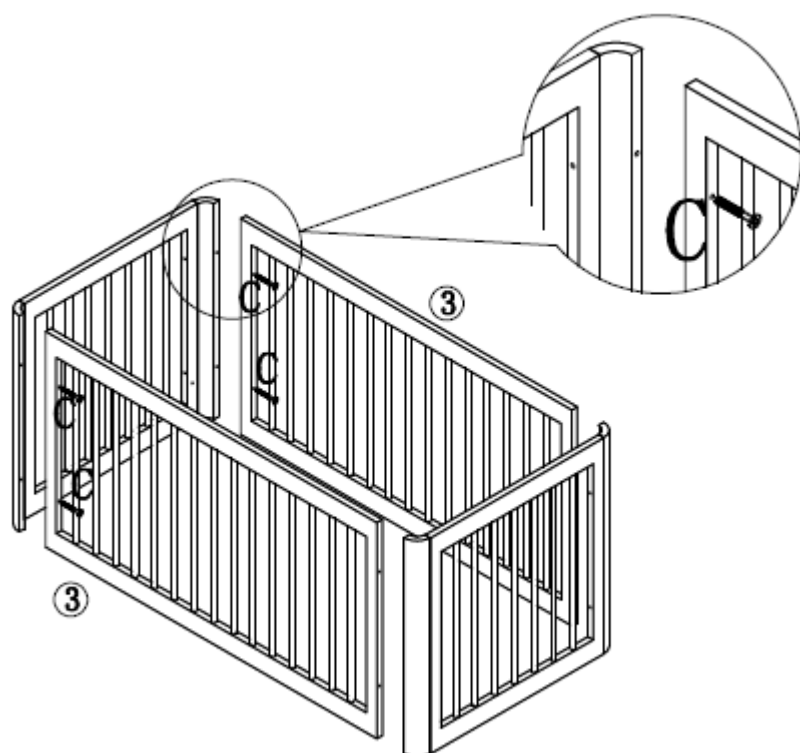

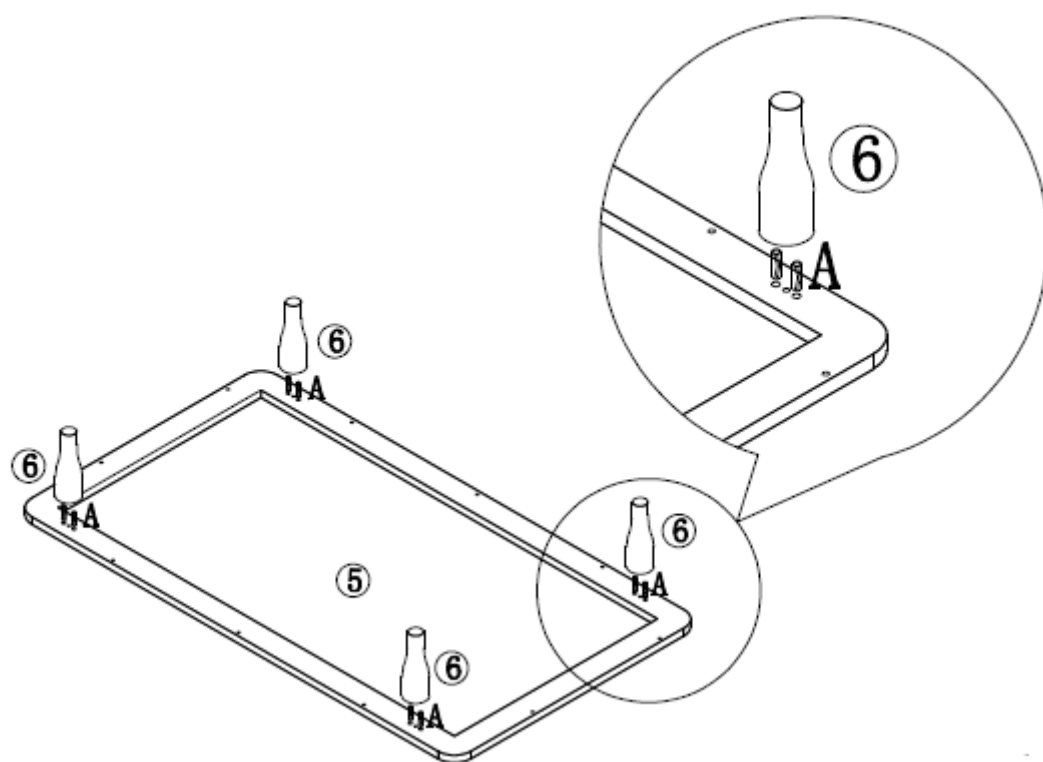

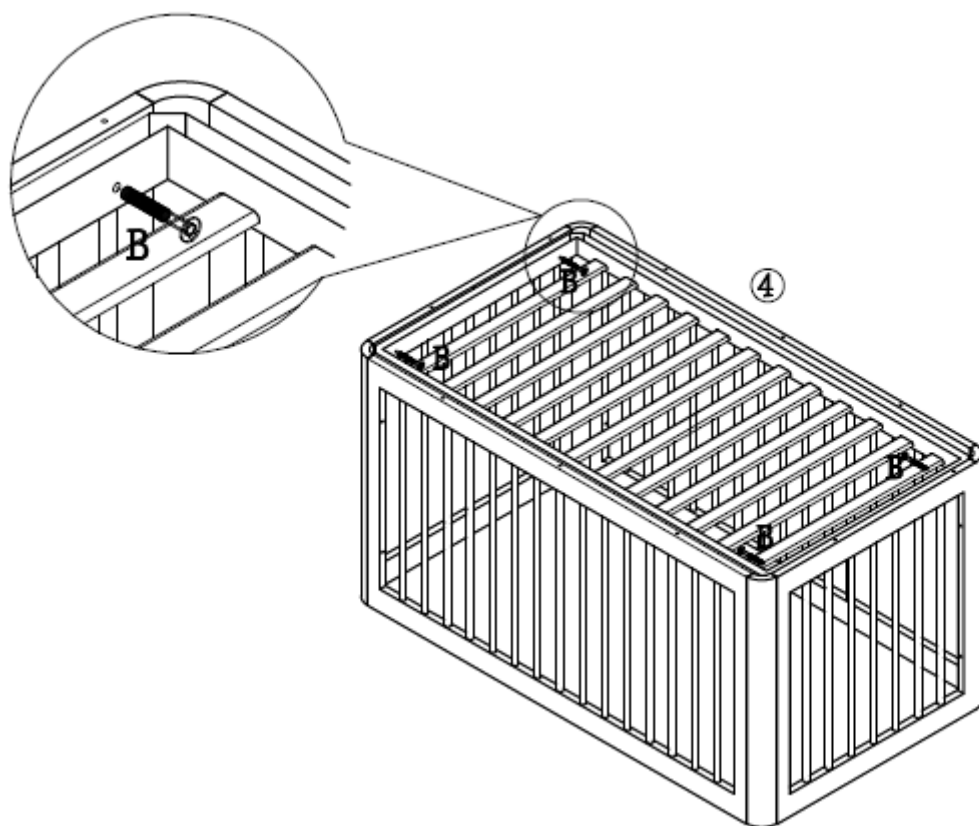

Code: 4014657

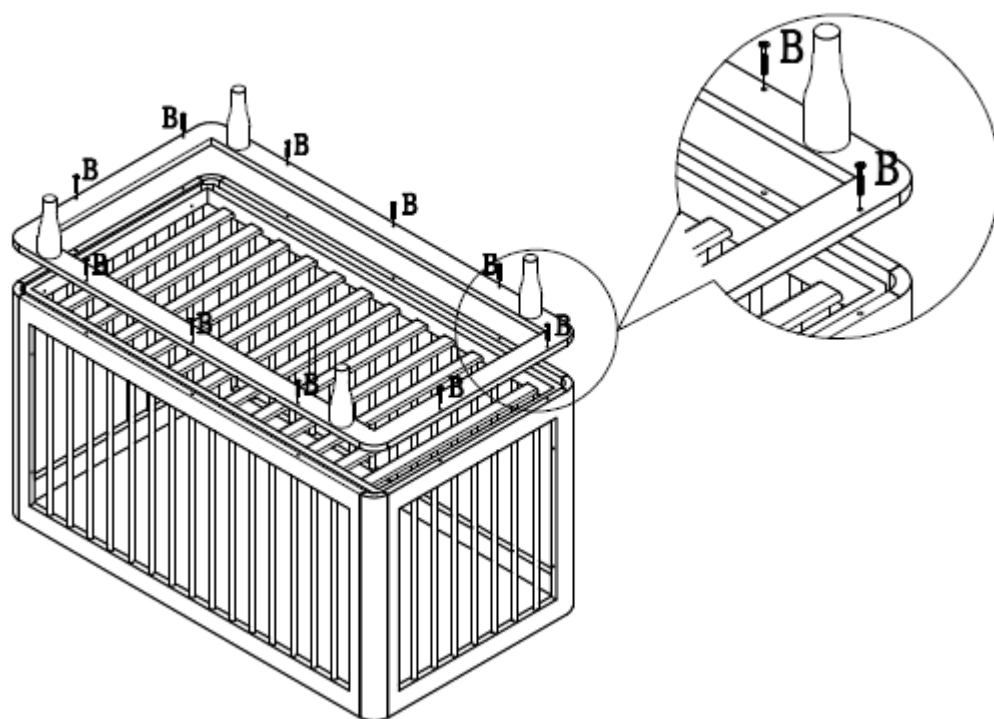

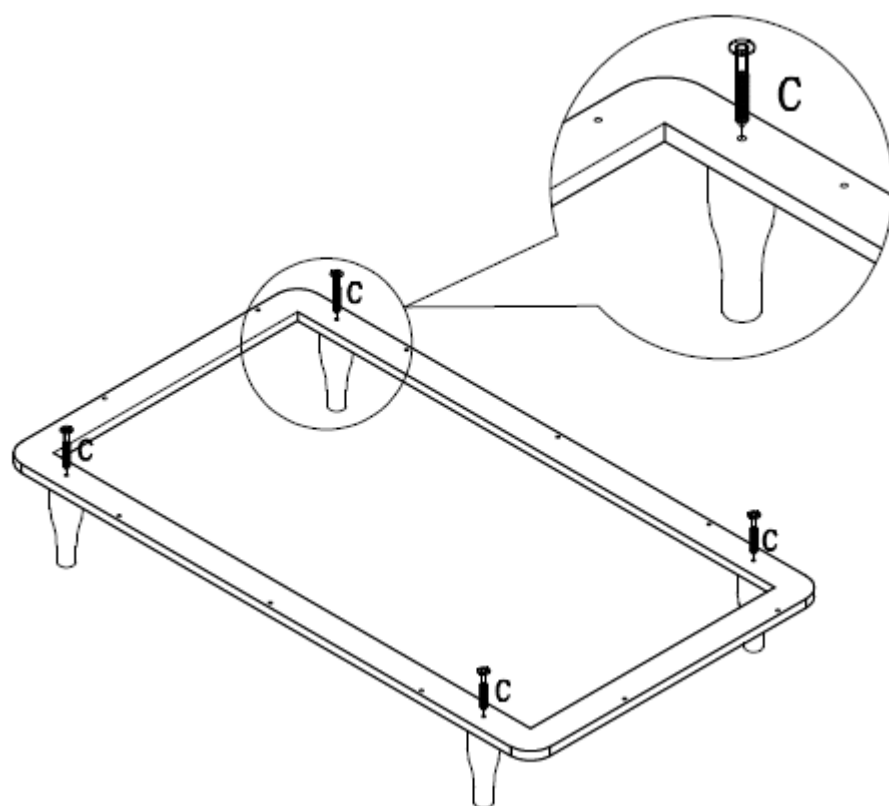

**Important:** Please retain for future reference. Read carefully

## **WARNING**

TO AVOID DANGER OF SUFFOCATION TO BABIES AND CHILDREN. DISPOSE OF ANY PLASTIC IMMEDIATELY

ENSURE THE COT IS PLACED AT A REASONABLE DISTANCE FROM CURTAINS, BLINDS, HEATERS, AND POWER POINTS, AND TO KEEP MEDICATION, STRING, ELASTIC, SMALL TOYS OR ANY SMALL ITEMS SUCH AS MONEY OUT OF REACH FROM ANY POSITION IN THE COT.

## **RECOMMENDED MATTRESS SIZE**

This cot has been manufactured for use with a mattress which measures 690mm by 1300mm, and up to 150mm (Maximum) thickness. The width and length are specified because it is important that the gaps between the mattress and the sides and ends of the cot will not exceed 40mm when the mattress is pushed to one side or end. This is to minimise the risk of a child's limb becoming caught in the gap. The thickness has been specified to ensure the depth of the cot is greater than 500mm with the mattress base to minimise the risk of the child climbing or falling out of the cot.

## **MAINTENANCE (IMPORTANT)**

From time to time, check screws and bolts and re-tighten if required. For cleaning, wipe with a damp cloth. Use mild soapy solution if necessary
