INSTRUCTION MANUAL

FOLD AWAY FULL-SIZE BABY BATH

⚠ WARNING

Drowning Hazard: Babies have drowned while using infant bath tubs.

To prevent drowning:

- **Stay in arm's reach** of your baby.
- **Never** rely on a toddler or preschooler to help your baby or alert you to trouble. Babies have drowned even with other children in or near bath tub.
- Babies can drown in as little as **1 inch** of water. Use **as little water as possible** to bathe your baby. • Use in **empty** adult tub.
- Keep drain **open** in adult tub.
- **NEVER** bathe baby until you have tested the water temperature. **ALWAYS** check water temperature before placing child into tub.
- **Always** check legs of tub to assure that they are securely locked in place prior to placing child in tub.
- **Always** assure that the infant tub is completely expanded, flat and level in the adult bath tub.
- **Never** expand or collapse tub with child in it.
- This product is not a toy. **DO NOT** allow children to play with it.
- Make sure all pieces are properly assembled before placing infant in product.
- Never adjust product with infant inside the product. Remove infant before moving or making adjustments.

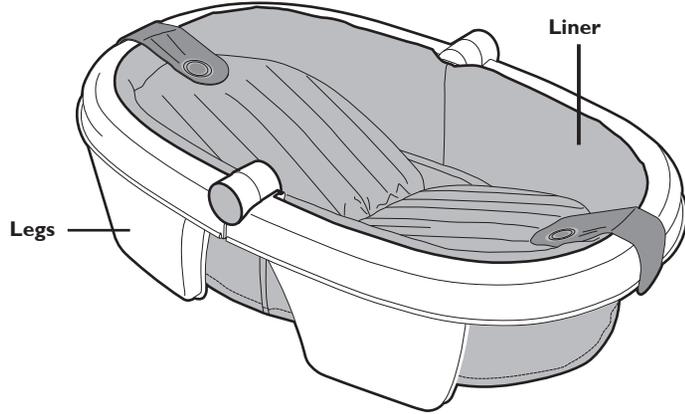

Fall Hazard: Babies have suffered **head injuries** falling from infant bath tubs.

To prevent falls:

- Place product **only** in adult tub for safe use.
- **Never** lift or carry baby in tub.
- Never use on uneven or elevated surfaces.
- **NEVER** leave children unattended.
- Discontinue use of product if damaged, broken, or disassembled.

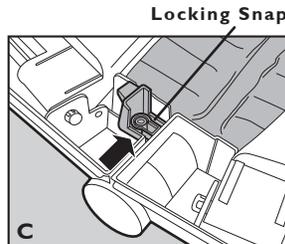

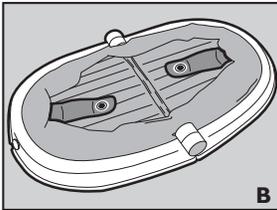

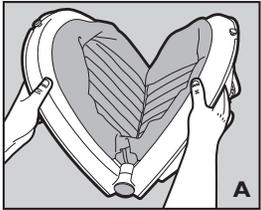

FEATURES AND COMPONENTS:

Bath Tub with Liner

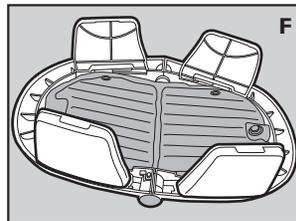

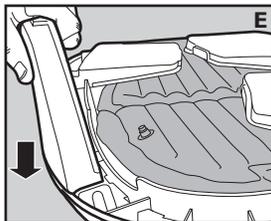

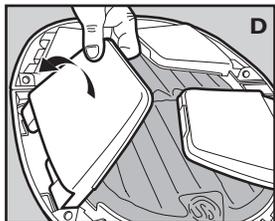

SETUP:

Step 1: Unfold bath tub until locking snaps on underside of tub are fully engaged (Figures A, B, and C).

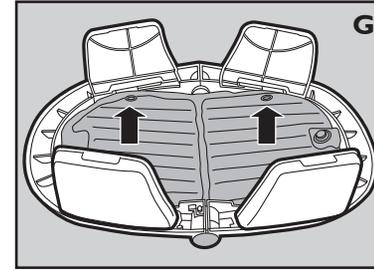

Step 2: Unfold legs by rotating out and pressing down until fully snapped in. Repeat for each leg (Figures D, E and F).

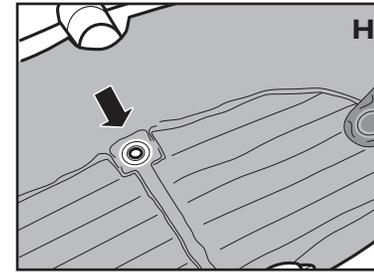

Step 3: To inflate liner, blow air with mouth into 2 locations noted (Figure G).

Note: You may need to squeeze the valve to inflate.

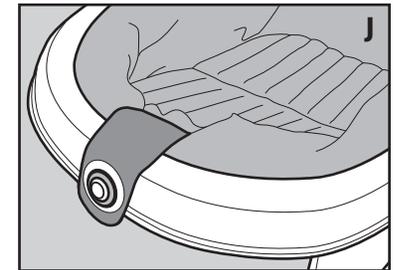

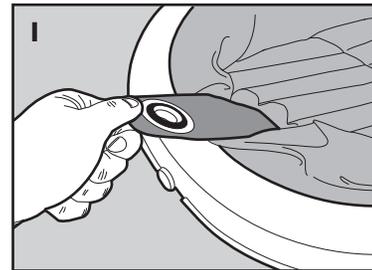

Step 4: Make sure drain plug is engaged and fill tub with 1" of water (Figure H).

To use in reclined position:

Step 5: Attach back strap to post on back of tub by reclining liner and securing back strap over post of tub frame (Figures I and J).

Repeat on other side for newborns.
