100% Organic Cotton

HANDBOOK

Versatile Uses

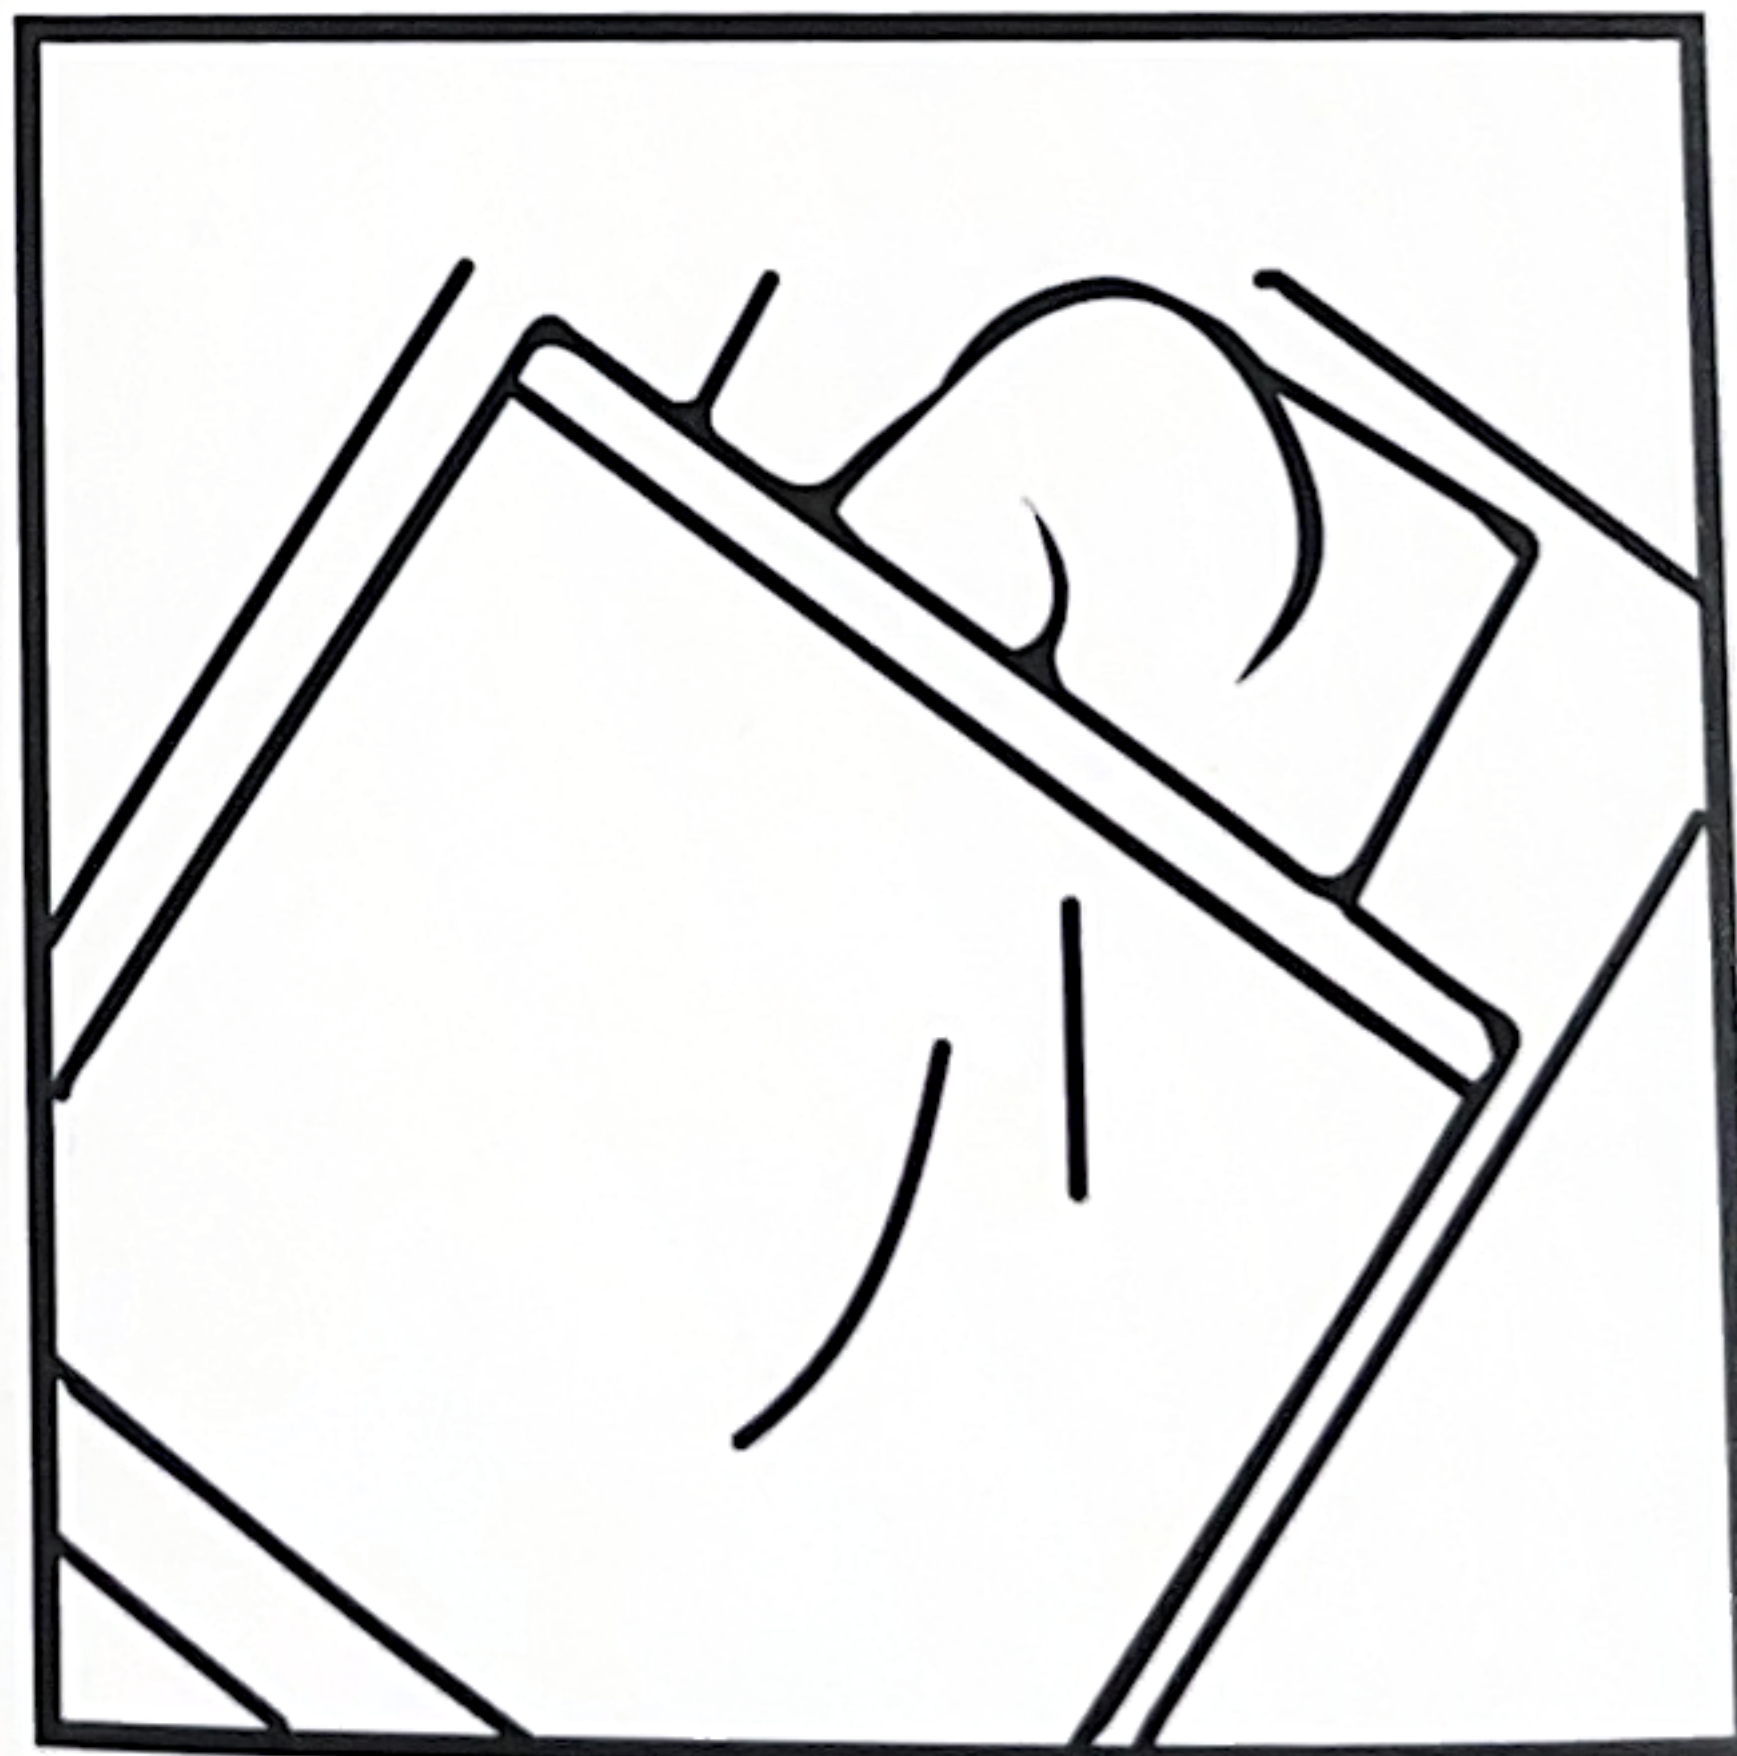

nursing cover

milking cover

pram/ car seat cover

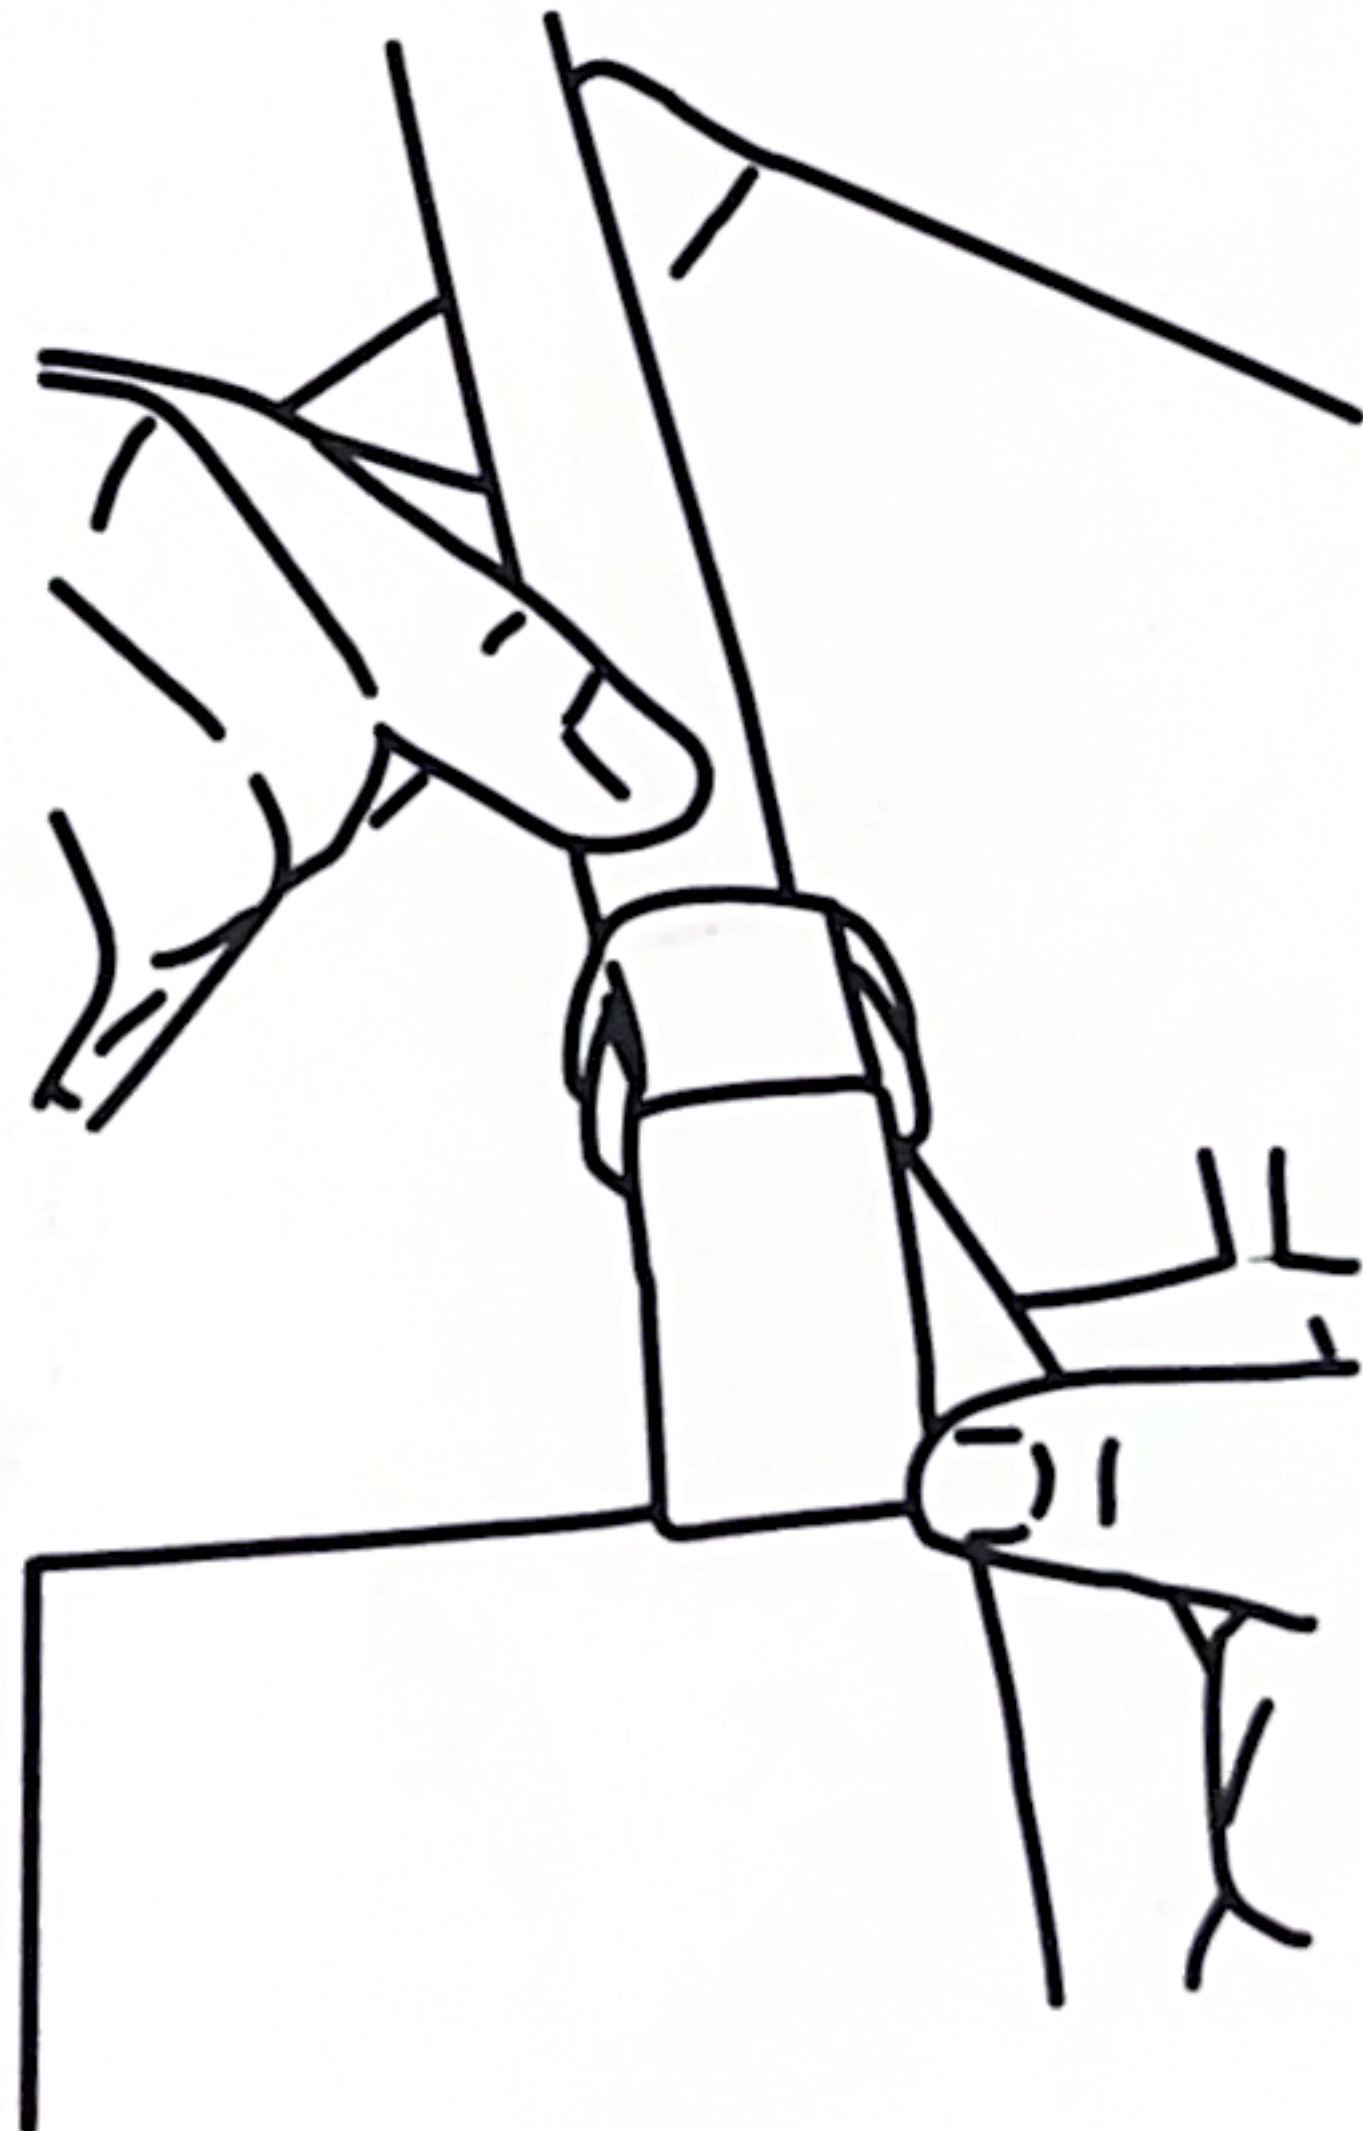

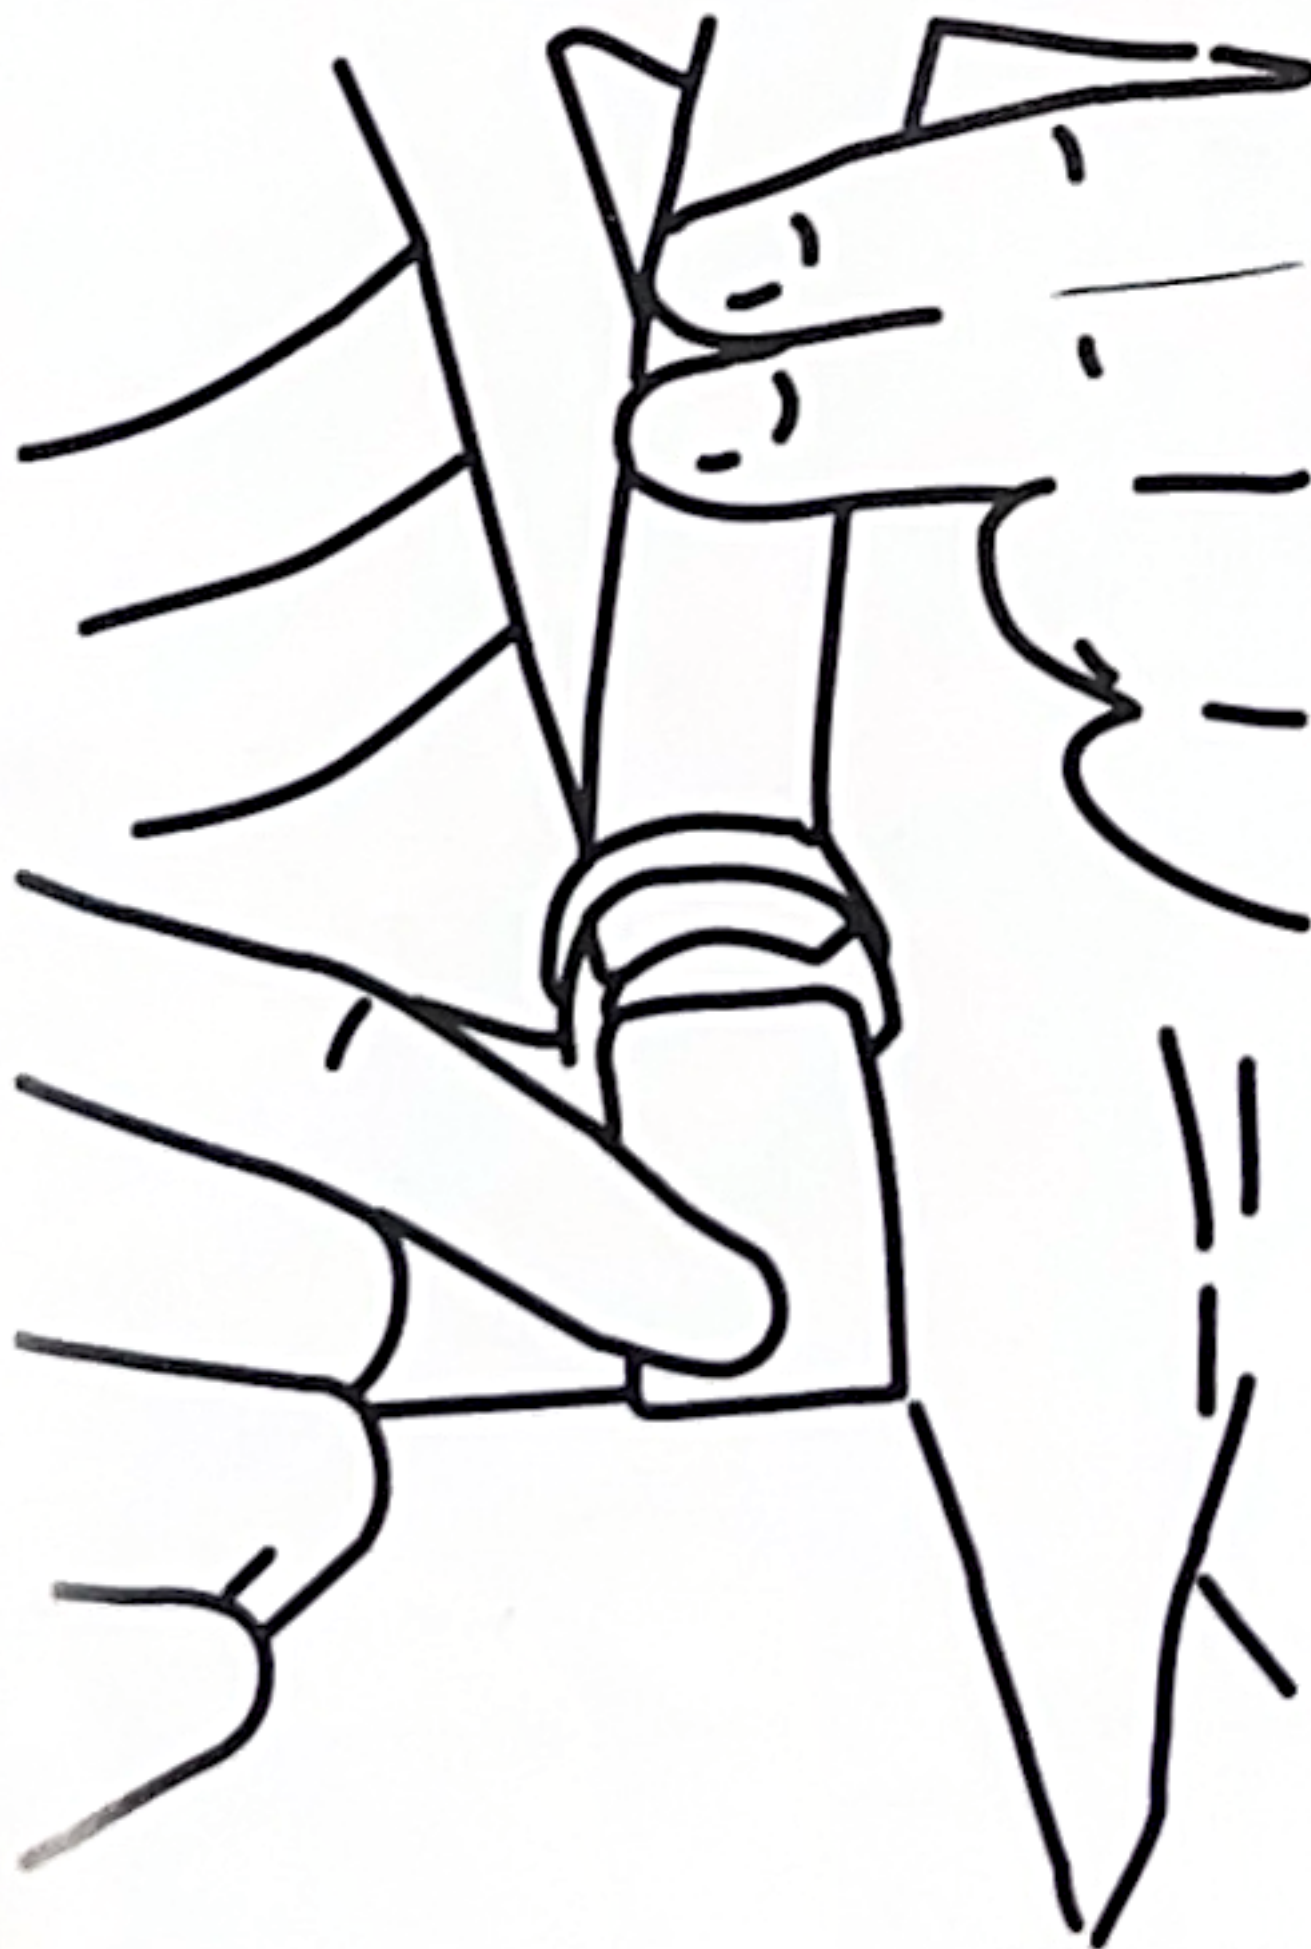

baby blanket

How to Wear

- ① Place the fabric over you and the strap around your neck.

- ② Thread the strap through the loops.

- ③ Position the fabric where you want it. Then tie the loose end around the loop and onto itself.

- Two handy internal pockets for storage of breast pads/ pacifiers.
- Adjustable strap to help you get comfortable when breastfeeding.
- Structured neckline to see your baby while nursing.
- Full coverage at a moment's notice as this cover allows for discreet breastfeeding.

Safety Warnings:

- Never use this product for another other than its intended function.
- Do not leave your baby unattended with this nursing cover.
- Do not use this cover without the presence of an awake and alert breastfeeding mother.
