Cleaning:

To ensure the long-lasting use of your chair and stool, sponge clean or wipe cushions with damp cloth only. Leave upholstery to air dry.

Only use a mild detergent to clean legs of your stool. Dry off the chair and stool with a soft cloth. Never use abrasive cleaners.

Maintenance:

Always check parts regularly for tightness of bolts, nuts and other fasteners - tighten or replace if required.

Check the strength of the fabric covers from time to time. Defective or worn parts must be replaced; as should components which are broken, torn, defective or worn out.

Use only parts and accessories approved by the manufacturer.

Due to variation in style and design the illustrations used in this instruction manual are generic.
